**Sales & Information: 926-0202**  
EFFECTIVE AS OF 6/2/93

**Repair: 685-2996**

Dear Customer:

This is to advise you that we will be revising our rate structure effective April 1, 1993.

The new rate schedule will be as follows:

<u>SERVICE LEVEL</u>	<u>OLD RATE</u>	<u>NEW RATE</u>
BASIC-Only	\$18.95	\$12.95
Additional Outlets for BASIC-Only	3.95	3.95
Basic + Silver Tier	20.95	21.95
Basic + Gold Tier	22.95	23.95
Additional Outlets for Silver Tier	3.95	4.45
Additional Outlets for Gold Tier	3.95	4.45

X Lowering our rate for BASIC service now makes cable even more affordable. We will also strengthen our BASIC line-up by moving our SuperStation TBS from our Gold Tier level. These changes will also occur on, or before, April 1, 1993. (Please refer to our new channel line-up on the reverse side of this letter.)

The slight increase to our full basic service, and additional outlets on our Silver/Gold Tier, is a result of continued non-controllable expenses in operating costs. We have, of course, worked very hard to control the impact of these increases on the cost of subscribing to our cable service. We have absorbed many of our rising prices through operating efficiencies, while providing the finest service possible.

Rates for our premium services, HBO, Showtime, Cinemax, The Disney Channel, and The Movie Channel, will remain the same.

We appreciate your business and look forward to serving you in the future.

Sincerely,

Century Cable
